

Remarks

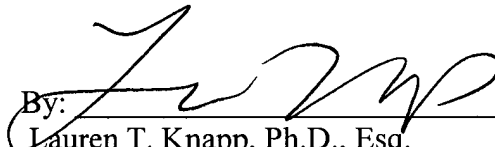

Applicants thank the Examiner for the telephone conference on October 30, 2003, during which the above-made amendments to claims 43 and 46 were discussed and agreed to. The amendment to claim 43 removes the term "glycosylated" from the claim since it did not have an antecedent basis. Claim 46 was amended to refer to SEQ ID NO: 26 instead of SEQ ID NO: 25, and was necessitated by the fact that otherwise claim 46 is identical to claim 15. No new matter has been added.

Conclusion

If there are any other fees due in connection with this filing not accounted for please charge the fees to our **Deposit Account No. 06-1448**. If a fee is required for an extension of time under 37 C.F.R. § 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,
